Parent/Family Involvement Activity

Date Completed

Title: Abita at Work! Learning About our School!

August 2016

What will you teach parents so they can help to improve their student's academic performance? Parents and students will join the faculty and staff before school starts to learn about our school policies, procedures, teacher expectations, parental involvement activities, Title 1 plan, Title 1 compacts, and curriculum.

Title: Homework, Homework, Give Me a Break!

September 2016

What will you teach parents so they can help to improve their student's academic performance? Parents will be taught ways they can help their child develop strong study skills and homework habits at home. Parents will walk away with a better knowledge of how to successfully implement positive homework strategies which will help reduce the amount of stress that is involved with homework.

Title: Pre-K Math Parent Meeting

October 2016

What will the parents learn during this activity to improve their student's academic performance? Parents will attend a meeting about how to teach math every day to your preschooler. Pre-K teachers will teach parents different methods for teaching basic math skills while keeping it fun. Parents will then go to the classrooms and create a "Make and Take" for the parents to take and use.

Title: Accelerated Reading

November 2016

What will you teach parents so they can help to improve their student's academic performance? Parents will be taught how to access the Accelerated Reading program from home to help their child develop good reading skills. Parents will be shown how to access the Accelerated Reading website to find books on their child's reading level.

Title: Literacy Night with Juan Kincaid

January 2017

What will you teach parents so they can help to improve their student's academic performance? Parents will be taught the importance of reading at home and how to get their child motivated about reading. Teachers will model a reading walk through a book to teach parents the importance of questioning their child about story elements.

Title: Pre-K Early Literacy Parent Meeting

February 2017

What will the parents learn during this activity to improve their student's academic performance? Parents will meet with Mrs. Holliday (TRT) and Pre-K teachers to discuss ways to help their child practice early literacy skills at home and in everyday life. Teachers then invite parents to their classrooms to create a "Make and Take" literacy activity for the children to do at home.

Title: Problem Solving Math Game Night

March 2017

What will you teach parents so they can help to improve their student's academic performance? Parents will learn how to teach their children math problem solving strategies in a fun way. Teachers will model these strategies by using games that children play every day. Parents will be provided a hand-out with a list of games that can be used and what strategies correlate easily with those games.

Title: Parenting Does Not Come with Instructions

April 2017

What will you teach parents so they can help to improve their student's academic performance? Ms. Stogner will speak with parents about the following topics: creating memories with your child, disciplining your child, being grateful for the small things, treasuring the positive moments, learning, and role models.

Title: Kindergarten Connect

May 2017

What will you teach parents so they can help to improve their student's academic performance? Pre-K parents will be invited to learn more about Kindergarten. Students and parents will meet the Kindergarten teachers. Parents will be given hand-outs with what children should be able to do by the time they enter Kindergarten. Teachers will give parents different ideas on ways to make learning fun over the summer time.

Keep announcements, agendas, and sign-in sheets for meetings in the Parental Involvement folders in the Title I File Box with this record.
